Scheduling & Conflicts		🛛 🗆 Set	Painting		

It is very important that we understand any conflicts you may have during our rehearsal and show schedule. Cast members with more than THREE unexcused absences may be removed from certain numbers or from the show altogether. Conflicts provided in this audition form (see next page) will NOT count as absences.

A reasonable number of DISCLOSED conflicts will NOT prevent you from being cast. We need to know your conflicts for rehearsal scheduling purposes. Particularly early in the rehearsal period, not everyone needs to be there every night.

Conflicts are NOT ACCEPTED on performance days or generally for the TWO WEEKS prior to opening night (e.g., from July 28, 2025 - August 6, 2025).

Parents of children 11 and under are required to help with child supervision during the last few weeks of rehearsal and during show week in order for their children to be involved with the show. GCP is not a babysitting service.

SPONSORSHIPS

_ I know/have a connection to a local business that would be willing to become a GCP sponsor. We literally can't survive on ticket sales alone. Ticket sales only provide about 50% of our budget. Individual people can be GCP sponsors too!

Would you be willing to contact them for us? YES NO

Business Name

Have you looked at the rehearsal schedule, so you understand the time commitment?

YES
NO

I understand that GCP is a commitment, and I'm willing to put in the required rehearsal time. I also understand that it is an expectation that all GCP participants will behave responsibly and that behavior issues could result in a person being removed from the show.
